

TROOP L

MEMORIAL BRICK PROJECT

The Troopers Memorial Fund in partnership with Troop L invites you to our second order for a custom paver to be installed into the beautiful Headquarters Memorial we built in 2017. The Memorial honors our heroes in Troop L who made the ultimate sacrifice and had celebrated the New York State Police 100th Anniversary. You can show your support for those heroes and at the same time help fund the continuing maintenance of the park by purchasing your own paver. A keepsake tile replica of your brick is also available. You can check out photos during the project's construction on www.troopersmemorialfund.com and also download a new order form. Payments can be made by check payable to
